

Biography

Zach Anderson

Senior Vice President

Tenant Representation

Current responsibilities

Zach Anderson serves as Senior Vice President with JLL, assisting tenants with their real estate needs. Zach advises clients throughout real estate planning process, working to properly align occupancy costs with operational efficiencies while optimizing flexibility. Combining thorough market knowledge with strong financial analysis and negotiation skills, Zach assists clients in achieving the best lease, acquisition and disposition solutions.

Experience

Zach brings over 13 years of real estate experience. Throughout his career, Zach has completed hundreds of transactions consisting of office, flex, industrial, and land solutions.

At JLL, Zach has completed transactions on behalf of tenants throughout the Minneapolis – St. Paul metro area, as well as markets outside of Minnesota. He has gained significant transaction experience in various industry sectors including technology, professional services, distribution and manufacturing.

Prior to joining JLL, Zach was a Broker at Paramount Real Estate Corporation, a boutique commercial real estate firm in Minneapolis. During his time at Paramount, Zach represented tenants and owners, allowing him to understand both sides of the transaction.
