Roadmap to a re-imagined campus

Shock
Denial and disbelief

Realization
Confront the impacts and dynamics

Respond
Shelter in place drives workplace closures

Future-fit resiliency planning
Parallel path to more resilient and adaptive future state

Finishing out the spring semester
- Scale remote learning program
- Communication / governance
- Retooling experiential curriculum
- Remote commencements

Financial & functional challenges
Projected revenue shortfalls & potential loss of market share

Implementation
Implement the new vision

(Re)imagination
Campus of the future

(Re)opening
- (re)activate space
- (re)respect health & wellness
- (re)vitalize property and workplace
- (re)instate full public services

Flourish
Feed, nurture and cultivate – thrive

The next normal
